Affiliated to Visvesvaraya Technological University (VTU)
Recognised by the Govt. of Karnataka CET Code : E243

Date: 04.07.2017

Dear Parents

It gives us immense pleasure to share with you, our achievements in the Academic year 2016-17, closing this July.

Dating back to July 2016, marking the commencement of our Second MILE STONE year in our profession of Architectural Education, we have attended to diverse fields of information exchange, either by way of:

- hands-on workshop where students learn out of THEIR OWN Experience
- guest lecture where they learn from hearing and looking at OTHER's Experience

the latter being the Universally proven system of Smart way of learning.

In the process of indirect learning our students organized the student's fest "CYGNUS-2107", in the month of February which received overwhelming response from colleges in and around Bangalore.

In Architecture curriculum we believe in visiting places of archeological and technological interests and we thank you parents for supporting us to organize such trips both within India and abroad. We got an amazing strength of 24 students for our International Education Trip to U.A.E in February 2017.

We are herewith attaching the EVENTS-2017, PPT elaborating the various activities organized by us for the benefit of the students.

As on date we are lined-up with a number of activities for the next MILE STONE year 2017-18. It is only with YOUR SUPPORT that we can make the dreams of your wards become true.

It is important to note that the ODD semester starts from 24 July'17 (tentatively) and kindly organize to remit the tuition fees for the next academic year on or before 25 July'17 and an additional extra-curricular activities fee as an encouragement for our future ventures. Students are required to submit a copy of fees paid receipt to the Admin office and register themselves for the next academic year.

Thanking you

We remain

Principal

AAAD
