## **SPEAKER**

**Ar. Chetan G B**  
Director,  
Shuonyanava  
Designs Pvt Ltd.,  
Bangalore

### **CREDENTIALS**

Chetan GB. Is an eminent architect and interior designer currently a director at SHUONYA NAVA Designs Pvt. Ltd, after having worked successfully in two different architecture design firms like Premnath and associates and Mindspace Architects. He has handled & completed projects in various verticals like institutions, residential, retail and office spaces. He has perused B.Arch. from RV College of Engineering Bangalore. and M.Arch. in Architecture & Urban design from Syracuse University, NY U.S.A.

He believes in an architecture rooted in life; as an integral part of everyday life, a crucial part of the environment and cultural life, as well as an ongoing process of material life of growth and decay. He also believes there are three key elements- the environment, the city and humanity; are constantly in flux, self-evolving whilst synchronizing with each other. They combine, collide and collapse at different times and give rise to unpredictable yet wonderful situations.
